# about bea pernia

Bea Pernia founded Bea Interiors Design, the internationally recognized residential, commercial, hospitality, and collectible furniture design house in Miami's Design District in 2012. Her debut furniture design "Circle of Trust," was featured at Art Basel 2017, and at the art auction, Anónimo, at the Bass Museum during Art Miami. Bea also provided the concept design for Anónimo in 2018 at the Faena Forum during Art Basel. In 2021, Bea debuted the ATUS collection at Design Miami. In 2023, Bea Pernia and Art + Loom presented the "Art of Formation" collection at Alcova during Salone del Mobile. In 2022, Bea Pernia was the NY Product Design Award winner, Iconic Awards Innovative Interior designer, and in 2023 she was the winner of the Prize Design for Modern Furniture + Lighting by Global Design News, The Chicago Athenaeum Museum Award for Architecture and the Design, the German Design Awards. Bea Pernia is a member of the AD Pro Directory and represented by Galerie Philia. She has been featured in Architectural Digest, Surface, Galerie, Haute Living, Hola, Business of Home, Forbes, Design Milk, Interior Design, and more.

Renowned Interior Designer and Artist Bea Pernia blends sculpture and functional design with "The Beat" Collection, inspired by the rhythmic pulse of the heart, music, and art. Each piece features exquisite marble and upholstery crafted from sustainable pineapple and mushroom leather, creating a captivating synergy of healing energy and aesthetic allure. Experience the transformative fusion of art and utility in this thought-provoking collection.

BEA PERNIA

IN COLLABORATION FOR ARCA GROUP

Blurring the boundaries between sculpture and functional design, Bea Pernia is known for her ability to push the limits of materials in unique and thought-provoking ways while developing organic forms.

By merging materials into stunning structured assemblages, she mixes rocks and woods that add their healing energy to any space.

Her purpose is to transmit a harmonious and positive environment. This sharp construction combines a turquoise mineral rock with natural oak wood, creating a multifunctional desk or dining table that seats up to six people

# beloco

The Beloco round table has been created with the purpose of connecting nature's healing properties to our daily lives. The oak wood top has been embedded in the marble to preserve its natural form. It can be used as a dining table or as a unique piece to add character to any room.

atus desk

Adding nature to the work station, crossing the lines between functionality and design, Atus desk has been created as a statement piece to be part of your home/office. Incorporating two soft closing drawers and plenty of top surface space.
